December 2021

MERRY CHRISTMAS!

Hello! Family and Friends. This is going to be our first Christmas in Paraguay! We thank God for all His care and protection everyday, as we continue doing God's will. We thank everyone of you who support our ministry, without your help we would not be able to do it, thank you for your faithfulness through all this year 2021. A special thanks to those who donated towards the building project for our church.

I would like to share a quick update of our building project for the church Iglesia Bautista Nueva Vida {New Life Baptist Church} in J. Augusto Saldivar, Paraguay; we have a roof over the part that will be the main entrance of the church building, we are more comfortable now that we can have our service while it is raining. We also made a concrete baptistery. We give glory to God for providing our needs for this project. Please keep praying for us that God will continue impacting lives here in Paraguay, there is a lot of religion in this country and the catholic belief is predominant but God is adding to the church such as should be saved. Please pray with us for the building project. We will have our first Christmas service at Iglesia Bautista Nueva Vida, this will be a great opportunity to share the true meaning of Christmas.

From our family to yours, **MERRY CHRISTMAS AND A HAPPY NEW YEAR!**
